

Upper Canada Summer Camp

Description:

At Upper Canada Summer Camp, field trips are our specialty. Twice per week we jump on a bus and take in all that the GTA has to offer. We travel to exciting places like Ontario Place, The Science Centre and The Toronto Zoo. Activities such as swimming, sports, art and science keep bodies and minds active and entertained. Friendship, safety and most of all fun are what our camp is all about.

Address Line 1: 2900 John Street, Unit 2

Province: Ontario
